SGUSCIO, SGUSCETTA E RACCORDI

Prodotto da GRUPPO STAMPLAST in PVC estruso antiurto. Servono a raccordare gli angoli interni delle pareti, evitando le inestetiche fughe, fornendo una superficie omogenea e facile da pulire.

Materiale: PVC.

WHITE HORIZONTAL SHELL

Manufactured by GRUPPO STAMPLAST, it connects tiled surfaces to building fixtures, avoiding the unsightly gaps, providing a homogeneous surface and easy to clean.

Material: PVC.
